

Industry Networking Mixer, Thursday 11 June 2015 for Supply Chain & Logistics Professionals (SCLP)

The latest industry networking mixer for Supply Chain and Logistics Professionals (SCLP) was held on Thursday 11 June at **Insiders Bar** in Hong Kong, attended by a record crowd of over 90 industry practitioners, with support from sponsors [DB Schenker](#) and [Logistics Executive](#) - view over 150 photos in the [SCLP Online Photo Gallery](#)

Convened by **Mark Millar**, the Supply Chain & Logistics Professionals (SCLP) forum provides regular networking opportunities for industry practitioners working in supply chain, procurement, logistics, ports, shipping, transportation, distribution, freight forwarding, air cargo, ocean freight and related maritime services.

Sponsor Feedback:

"Schenker HK were delighted to be able to co-sponsor the SCLP mixer in June, this gave us the opportunity to promote the brand whilst also support the networking function. With a blend of cargo owners and industry leaders it is a great event to be able to mix in a non-competitive atmosphere. To retain friendships and relations with those individuals, who like ourselves, are striving for excellence in the market and to drive the development of our sector in the HK and South China economies. We applaud Mark's efforts in achieving this." **Robbie Wood, Deputy General Manager - Route and Ocean Development Management, Sales & Key Account Management, Hong Kong and South China, [Schenker International](#)**

"Absolutely sensational to see such a large crowd at the event last night. As a long term sponsor, we are exceptionally pleased with the returns on our investment in sponsoring the SCLP Industry events and very excited to see the platform reaching new heights. Tim Smith is not just a stellar speaker, but as one of the most senior people in the industry in Asia, it's such an honour to have him speak at the SCLP events and such a rare opportunity for many others in the industry to mix with him and make new industry friends. A great success Mark and congratulations to you and the team for another phenomenal event, we are looking forward to sponsoring two more SCLP Mixer functions this year." **Cassandra Lee, General Manager – North Asia & Greater China, [Logistics Executive](#)**

Guest Speaker was Mr Tim Smith, Chairman of the Hong Kong Liner Shipping Association (HKLSA) and Chief Executive North Asia Region, [Maersk Line](#), who presented a very informative talk on "Key trends impacting the competitiveness of Hong Kong Container Port".

Tim commented "Thank you very much Mark for inviting me to talk at the SCLP industry networking mixer last night. I enjoyed it and thought it was a good event. These events provide a very useful service to the transport and logistics community, which I think is very much appreciated by the people in our industry."
